Bank/-

Bank Account details have been provided by the Sustainability Bond Holder the interest on the Sustainability Bonds for the time being outstanding at the Rate of Interest in accordance with the provisions of These Presents. RTGS transfers however could be effected only for amounts over and above the maximum value that can be accommodated via SLIPS transfers.

(iii) the interest calculation shall be based upon the actual number of days in each Interest Period (actual/ actual).

(iv) the payment of the principal sum and interest shall be made in Sri Lankan Rupees after deducting any withholding tax and/or such other taxes and charges thereon, if applicable in terms of the law prevailing at the time of payment.

(v) any payments shall be deemed to have been made on the Date of Redemption or the Interest Payment Date as the case may be if the cheques are dispatched not later than three (3) Working Days from such date or the SLIPS transfer or the RTGS transfer is made not later than three (3) Working Days from such date.

(vi) in the event of there being any delay in the redemption of the Sustainability Bonds or the payment of interest thereon due to a default by the Bank, the Bank shall pay default interest at the Rate of Interest plus two per centum (2%) per annum from the Date of Redemption or the Interest Payment Date as the case may be.

(b) The Sustainability Bonds shall be redeemed in accordance with the provisions contained in These Presents on the Date of Redemption together with interest (if any) remaining unpaid thereon.

(c) If any Sustainability Bond Holder fails or refuses to receive payment of the interest or redemption monies payable to such Sustainability Bond Holder, or any part thereof within ninety (90) days from the Interest Payment Date or the Date of Redemption of the Sustainability Bonds as the case may be, the amount due to him shall be transferred by the Bank to a suspense account maintained separately with the Trustee at the end of ninety (90) days after the Interest Payment Date or the Date of Redemption of the Sustainability Bonds and shall be paid by the Bank to the Sustainability Bonds Holder when a claim is duly made and no interest will be payable by the Bank on such interest or redemption monies for the period between the Interest Payment Date or the Date of Redemption as the case may be and the date of the said payment unless the nonpayment is due to a default on the part of the Bank.

No person shall be entitled to claim any such payment after the completion of six (6) years from the Interest Payment Date or the Date of Redemption and all unclaimed monies shall cease to be owed and payable by the Bank to any Sustainability Bond Holder after the said period of six (6) years and any such monies will be refunded to the Bank by the Trustee.

(d) If any cheques for redemption and/or an interest payment sent by post to the Sustainability Bond Holders are returned to the Bank undelivered, the amounts represented by each of such returned cheques shall also be transferred by the Bank to the aforementioned suspense account maintained with the Trustee and retained therein for a period of six (6) years from the Interest Payment Date or the Date of Redemption of the Sustainability Bonds . Such monies will be repaid to the Sustainability Bond Holders if the same is claimed in writing by such Sustainability Bond Holders within the said six (6) year period and no interest will be payable by the Bank on such interest or redemption monies for the period between the Interest Payment Date or the Date of Redemption as the case may be and the date of the said payment unless the nonpayment is due to a default on the part of the Bank.

No person shall be entitled to claim any such redemption and/or interest payment after the completion of six (6) years from the Interest Payment Date or the Date of Redemption and all unclaimed monies shall cease to be owed and payable by the Bank to any Sustainability Bond Holder after the said period of six (6) years and such monies will be returned to the Bank by the Trustee.

(e) The Bank shall always act on the information furnished to it by the CDS and it shall be the responsibility of each Sustainability Bond Holder to keep all the information in respect of itself updated. Each Sustainability Bond Holder shall absolve the Bank from any responsibility or liability in respect of any error or absence of necessary changes in the information recorded with the CDS. Provided further that the Sustainability Bond Holder shall absolve the CSE and the CDS from any responsibility or liability in respect of any error or absence of necessary changes in the information recorded with the CDS where such errors or absence of changes are to be initiated by or are, for any other reason, attributable to the Sustainability Bond Holders.

(f) the Bank shall be entitled to make payment on redemption of all such Sustainability Bonds on the Date of Redemption to Sustainability Bond Holders without any request for claim from such Sustainability Bond Holders and such payment shall be deemed to be a payment duly made by the Bank to the respective Sustainability Bond Holders in redemption of the Sustainability Bonds of such Sustainability Bond Holders.

(g) In order to accommodate the Sustainability Bond interest cycles in the Automated Trading System (ATS) of the CDS, the Sustainability Bond Holders to whom interest shall be paid shall be those holding Sustainability Bonds in the CDS as at the Entitlement Date.

4.2 If the Date of Redemption falls on a non- working Day on which Banks are closed for business, then the Date of Redemption shall be the next working Day and for the avoidance of doubt it is agreed that interest shall be paid for the intervening days which are not Market Days.

4.3 These Sustainability Bonds will not be redeemed by the Bank prior to maturity for any reason whatsoever except due to the occurrence of an Event of Default as contemplated in Clause 10.1 hereunder. Repayment before maturity of the principal sum on a Sustainability Bond in any circumstance shall be subject to the prior written approval of the CBSL and the approval of three fourth ($3/4^{th}$) of the Sustainability Bond Holders of each Type in nominal value of the Sustainability Bonds outstanding when the principal sum is repaid before maturity Sustainability Bond Holders shall not have any right or option to call for redemption of the Sustainability Bonds before the Date of Redemption of such Sustainability Bonds. However, if a Trigger Event occurs prior to maturity or at the point of maturity, the Sustainability Bonds will be permanently written off and any liability arising from such instrument at the point of non-viability shall take the character of an AT1 bond ranking equal and *pari passu* with the existing AT1 Bonds of the Bank as detailed below.

Interest payment frequency is annually at the expiry of every one-year period from the date of allotment of the Bonds, subject to the conditions described under items 7 to 9 of the Web Based Return Code 20.2.2.1.1.1 of the Banking Act Direction No.1 of 2016 dated 29th December 2016 as detailed below. (7) Coupon discretion: (i) The Bank has full discretion at all times to cancel distributions or payments: In this regard, mandatory distributions are prohibited; (ii) Any cancellation of coupon is not an event of default; (iii) The Bank must have full access to cancelled coupon payments to meet obligations as they fall due; and (iv) Any cancellation of coupon does not impose restrictions on the Bank, except in relation to distributions to ordinary shareholders. (8) coupons must be paid out of distributable items: Any coupon to be paid under the capital instrument is only paid to the extent that the Bank has retained profits for distribution.

(9) The/.

	(9) The capital instrument shall not have a coupon that is reset periodically, based in whole or in part on the credit standing of the Bank or the Banking Group. Therefore, the Bank will not make any additional payment to the Perpetual Debt Securities holders in the event of a default in payment of interest.
Issue Date	Within twenty (20) days upon the occurrence of the Trigger Event for the BASEL III Sustainability Bonds as determined by the Governing Board of the CBSL.
Interest Payment Date(s)	Date of expiry of every One (01) year period commencing from the date of allotment of the AT1 Bonds. Interest payments will be made not later than Three (03) working days from the due date of interest payment.
Redemption	These Bonds are irredeemable, subject to the Call Option mentioned below, where the AT1 Bonds may be fully redeemed. Further, if a trigger event occurs for the AT 1 Bonds, and the AT 1 Bonds will be permanently written off with capital and accrued interest, and it shall cease to exist.
Call Option	These Bonds may be callable by the Bank at its discretion at any time after the expiry of five (5) years from the date of issue, subject to satisfying the following minimum requirements specified in item 5 of the Web Based Return Code 20.2.2.1.1.1 of the Banking Act Direction No.1 of 2016: i) Prior approval of the Governing Board to exercise a Call Option has been obtained by the Bank; ii) The Bank shall not create an expectation that the Call Option will be exercised; and iii) The Bank shall not exercise a Call Option unless: a. The capital instrument is replaced by the Bank with capital of the same or better quality and the replacement of this capital is done in a manner that does not affect the income capacity of the issuing bank; or b. The Bank demonstrates that its capital position/ratios will be maintained well above the minimum after the Call Option is exercised. Upon an exercise of the Call Option if the scheduled date of redemption/maturity falls on a non-working day on which the banks are closed for business, then the Bonds will be redeemed on the next working day from the scheduled date of redemption/maturity with the interest up to date of actual payment of the Principal Sum. Subject to the above, if the Bank exercise the Call Option, the AT 1 Bonds shall cease to exist.
Mode of Payment of Principal Sum & Interest	Interest will be paid to Bond Holders through an electronic fund transfer mechanism recognized by the banking system of Sri Lanka such as SLIPS and RTGS (arranged only at expense of the investor) in the event accurate bank details have been provided, or by crossed cheques marked "Account Payee Only" in the event accurate bank details have not been provided. The same procedure will be followed for the payment of Principal Sum, if the call option is exercised.

Write/-

Write down Mechanism of AT1 Bonds	In the event of an occurrence of a Trigger Event as determined at the sole discretion of the Governing Board of CBSL, there would be a full and permanent write off of AT1 Bonds by the Bank without any requirement of approval by the Bond Holders, in compliance with Basel III requirements.
Trigger Point/Event of AT1 Bonds	Means the earlier of a point at which the Governing Board of the CBSL determines; (a) that the Bank would become non-viable without a write down in terms of item 11 (iii) (a) of the Web Based Return Code 20.2.2.1.1.1 of the Banking Act Direction No. 1 of 2016 dated 29th December 2016; or (b) to make a public sector injection of capital or equivalent support without which the Bank would have become non-viable in terms of item 11 (iii) (b) of the said Direction.

8. COVENANT TO OBSERVE PROVISIONS OF THE TRUST DEED

The Bank hereby covenants with the Trustee to comply with the provisions contained herein and to perform and observe the same. It is expressly agreed between the Bank and the Trustee that the Trustee shall not be liable for any loss or damage, however caused, by non-observance or non-compliance with the covenants contained in Clause 9 by the Bank.

9. COVENANTS BY THE BANK

The Bank hereby covenants with the Trustee, for the benefit of the Sustainability Bond Holders, that so long as any of the Sustainability Bonds remain outstanding;

(a) The Bank shall, at all times, carry on and conduct its affairs in a proper and appropriate manner.

(b) The Bank shall at all times keep such books of accounts as it is obliged to keep under the applicable laws and (to the extent not prohibited by law or otherwise by virtue of any duty of confidentiality) at any time after an Event of Default shall have occurred or the Trustee shall have reasonable cause to believe that an Event of Default will occur, allow a reputed audit firm appointed by the Trustee in consultation with the Bank, free access to the same at all times during working hours and to discuss the same with the Board and officers of the Bank, provided however that the Trustee and the audit firm shall, to the extent legally permitted, maintain confidentiality in respect of all the matters relating to the Bank and its business and shall not use any information they acquire pursuant to these provisions for any other purpose.

(c) The Bank shall issue a Certificate in writing to the Trustee:

(i) within five (5) days from each Interest Payment Date, certifying that the interest on the Sustainability Bonds has been paid to the Sustainability Bond Holders in terms of Clause 4;

(ii) within five (5) days from the Date of Redemption certifying that the principal amount has been paid to the Sustainability Bond Holders in terms of Clause 4.

(d) The Bank shall issue to the Trustee such Certificates and provide such information as the Trustee may require in order to carry out its duties and obligations in terms of These Presents relating to the Sustainability Bonds to the extent permitted by law and Listing Rules of the CSE provided such Certificates can be issued or such information can be provided by the Bank without committing any breach of its duty of confidentiality to any person or entity.

(e) The Bank shall submit to the Trustee within one (1) month from the end of every calendar quarter from the Date of Allotment, a Certificate which is dated in accordance with a resolution of its Board that the Bank has complied with each and all of the covenants including those contained in this Clause 9 of These Presents and the said Certificate shall include:

(i) Whether or not any limitation of liabilities or borrowings as prescribed by the Bank of Ceylon Ordinance has been exceeded;

(ii) Whether or not any material trading or capital loss has been sustained by the Bank, and if so, the amount of such trading or capital loss sustained by the Bank;

(iii) Whether/-

(iii) Whether or not any circumstances materially affecting the Bank have occurred which adversely affect the Sustainability Bond Holders;

(iv) Whether or not any contingent liability has matured or is likely to mature within the next twelve (12) months, which will materially affect the ability of the Bank to repay the Sustainability Bonds, and if so, the amount of such contingent liability;

(v) Whether or not the Bank has any contingent liabilities, and if so, the amount of such liabilities;

(vi) Whether or not the Bank has assumed a liability of a related corporate body during the preceding calendar quarter, and if so, the extent of the liability assumed during the quarter and the extent of the liability at the end of the quarter;

(vii) Whether or not there has been any change in any accounting method or method of valuation of assets or liabilities of the Bank;

(viii) Whether or not any circumstances have arisen which render adherence to the existing method of valuation of assets or liabilities of the Bank inappropriate;

(ix) Whether or not there has been any substantial change in the nature of the Bank's business since the issue of the Sustainability Bonds;

(x) Whether or not the Bank has observed and performed all the covenants and obligations binding upon them respectively pursuant to the Trust Deed.

(f) The Bank shall keep a record by way of a Register of the number of Sustainability Bonds which have been issued and, the date of such issue and the persons to whom such Sustainability Bonds were issued, provided however that the Bank shall, after the listing of the Sustainability Bonds on the CSE, be entitled to treat the records maintained by the CDS as an accurate record of the Sustainability Bond Holders and the number, type and value of the Sustainability Bond held by each Sustainability Bond Holder.

(g) The Bank shall permit the Trustee and the Sustainability Bond Holders at all reasonable times without payment of any fee to inspect any records maintained by the Bank referred to in Clause 9 (f) above and to take copies thereof.

(h) The Bank shall forthwith upon the Bank becoming aware of the happening of any and every Event of Default as is mentioned in Clause Nos 10.1 and 10.2 hereof, give notice thereof in writing to the Trustee, provided that the Bank shall, in any event, issue a Certificate to the Trustee within thirty (30) days from the end of every semi-annual period commencing from the Date of Allotment of the Sustainability Bond, certifying that no event mentioned in Clause 10.1 hereof has occurred during the previous six (6) month period which would have resulted in the becoming payable in terms of the said Clause.

(i) The Bank shall make available the Trust Deed in full on the Bank's website and on CSE's website until the Date of Redemption, and shall make available to any Sustainability Bond Holder, on request, a certified copy of the Trust Deed, upon payment of a fee of Sri Lankan Rupees Hundred (LKR100/-).

(j) The Bank shall send to the Trustee and the CSE, and publish on its website, no later than forty-five (45) days from the end of the first, second and third quarters, and sixty (60) days from the end of the fourth quarter of its financial year, an interim financial statement prepared on a quarterly basis.

(l) The Bank shall reimburse all reasonable expenses incurred by the Trustee after an Event of Default has occurred in connection with:

(i) Preservation of the Bank's assets (whether then or thereafter existing); and/or

(ii) Collection of amounts due under this Trust Deed.

All/-

All such sums shall be reimbursed by the Bank within thirty (30) days from the date of notice of demand from the Sustainability Bonds Holders or the Trustee.

(m) The Bank shall immediately notify the Trustee in the event that the Bank becomes aware of the occurrence of any of the events mentioned in Clause 10.

(n) The Bank shall immediately notify the Trustee in the event that the Bank becomes aware of the happening of any of the following event/s that has caused or could cause:

i) Any amount secured or payable under the Sustainability Bonds to become immediately payable.
ii) Any event, in the opinion of the Bank that may lead to the acceleration of either the payment of interest or redemption.
iii) The provisions or covenants of the Trust Deed to become immediately enforceable.

(o) In the event that the Bank creates a charge, the Bank shall submit to the Trustee the written details of the charge within twenty-one (21) days after it is created and if the amount to be advanced on the security of the charge is indeterminate, the Bank shall submit to the Trustee the written details of the amount of each claim, within five (5) days from the date the claim is made.

(p) The Bank shall at all times maintain records of all its published information and make them available for inspection by the Trustee and Sustainability Bond Holders.

(q) The Bank shall not declare or pay any dividend to its shareholders during any financial year unless it has paid all principal sums and interest payments that have become due and payable to the Sustainability Bond Holders as at the date on which the dividend is proposed to be declared or paid or has made satisfactory provisions therefor.

(r) The Bank shall immediately notify the Trustee in the event that the Bank becomes aware of the occurrence of any Trigger Event.

10. EVENTS OF DEFAULT AND TRIGGER EVENT

10.1 The Sustainability Bonds shall become immediately payable at the option of the Trustee if so requested in writing by the Sustainability Bond Holders of at least one fifth ($1/5^{th}$) in nominal value of the Sustainability Bonds outstanding or if so directed by an Extraordinary Resolution of the Sustainability Bond Holder upon the commencement of any action/proceeding against the Bank on the grounds of liquidation, bankruptcy, insolvency, receivership or similar action or upon an order being made or a resolution being passed for the winding up of the Bank.

10.2 In the event of the occurrence of any of the events mentioned in this Clause 10. 2 (a) to (h), the Trustee shall notify the Bank of such default and grant the Bank a period of thirty (30) days to cure such default. In the event of such default not being cured within the time aforesaid the Rate of Interest on the Sustainability Bonds shall be increased by Zero Decimal Five per centum (0.5%) per annum.

(a) If the Bank defaults on the payment of the principal sum or any interest due on the whole or any part of the Sustainability Bonds in accordance with the provisions contained in These Presents.

(b) If the Sustainability Bonds cease to be listed in the CSE at any time between the time of listing and the Date of Redemption, due to any default on the part of the Bank.

(c) If the Bank stops or threatens to stop payment of its debts or ceases to carry on its business, which may lead to the winding up of the Bank.

(d) If the Bank does not submit a Certificate to the Trustee as set out in Clause 9 (c), Clause 9 (e) or Clause 9 (h).

(e) If there is a breach by the Bank of any terms or conditions in the Sustainability Bonds or provisions herein contained or any other documents relating to the issue, offer or invitation in respect of the Sustainability Bonds.

(f) Where any other indebtedness of the Bank becomes due and payable prior to its stated maturity or where security created for any other indebtedness becomes enforceable.

(g) Where/-

(g) Where there is revocation, withholding or modification of a license, authorization or approval that impairs or prejudices the Bank's ability to comply with the terms and conditions of the Sustainability Bonds or the provisions of the Trust Deed or any other document relating to the issue, offer or invitation in respect of the Sustainability Bonds.

(h) Where any mortgage, charge, pledge, lien or other encumbrance present or future is created or assumed by the Bank contrary to the terms or conditions of the Sustainability Bonds and the provisions of the Trust Deed.

10.3 Trigger Event

Upon the occurrence of a Trigger Event, the Sustainability Bonds shall be permanently written off and any liability arising from such instrument at the point of non-viability shall take the character of an Additional Tier 1 (AT1) Bonds and shall be subordinated to claims of every other liability as of the date on which the Trigger Event has occurred as notified to the Bank by the CBSL up to the outstanding balance of such Sustainability Bonds.

The Bank on receipt of a Trigger Event notification from the CBSL will immediately make a market announcement and the write-down mechanism would be activated.

Provided however, upon the occurrence of the trigger event, the Government of Sri Lanka as the sole shareholder of the Bank will liaise with the CBSL to restore the Bank's viability. The Board of Directors of the Bank is responsible for exercising the write-down mechanism as directed by the CBSL, the Regulator. The decision to write-down shall be *pari-passu* on all Sustainability Bonds issued under BASEL III compliant with the feature of loss absorption fully, partially or pro rata as determined by the Governing Board of CBSL.

11. ENFORCEMENT OF OBLIGATIONS

At any time after the Sustainability Bonds shall have become repayable on redemption or otherwise under any provision of These Presents, and/or the Bank has failed and/or neglected to repay and/or redeem the same within the stipulated time period, the Trustee may upon the Bank's continuous failure and/or negligence to repay and/or redeem the Sustainability Bonds , at its discretion, or upon the request in writing of the Sustainability Bond Holders representing at least one fifth (1/5th) of the nominal value of the Sustainability Bonds outstanding or, if so directed by the Sustainability Bond Holders pursuant to an Extraordinary Resolution and subject to fourteen (14) days prior written notice to the Bank, institute such proceedings as they think fit to enforce repayment of principal amount together with accrued interest and other obligations of the Bank under These Presents.

The CSE Listing Rule 7.12.4 A II (d) (payment of maturity proceeds to dissenting Sustainability bondholders) or any other Rule which could accelerate the repayment of future scheduled payments or any other Sustainable Bond features (or Green Bond features, depending on the prevailing terminology in the CSE Listing Rules at such point of time) shall not be applicable to these Basel III compliant Sustainability Bonds. However, the Sustainability Bonds will not be recognized as Sustainability Bonds in the event of a Non-compliance with the applicable Sustainability requirements. Such Non-compliance many lead the Bank to effect changes to the existing features of the proposed Sustainability Bonds along with any other benefits attached to proposed Sustainability Bonds. The relevant approvals of such changes will be obtained where applicable.

15.1 Without prejudice to the powers and reliefs conferred on the Trustee by These Presents or by the laws relating to the Trusts or any other applicable law, the Trustee shall have the following powers:-

(a) The Trustee may in relation to These Presents act on the opinion or advice of or a certificate or any information obtained from any lawyer, banker, valuer, surveyor, broker, auctioneer, accountant or other expert, (whether obtained by the Trustee or the Bank) and shall not be responsible nor liable for any loss occasioned by acting on any such opinion, advice, certificate or information provided that it has reasonable grounds for believing such person was competent to provide such opinion, advice, certificate or information and the Trustee shall not be liable for acting on any opinion,

advice./-

advice, certificate or information purporting to be so conveyed although the same shall contain some error, as long as the Trustee has acted in good faith and with professional diligence.

(b) The Trustee shall as regards all the trusts, powers, authorities and discretion vested in it by These Presents or by operation of law, have absolute and uncontrolled discretion as to the exercise or non-exercise thereof and the Trustee shall not be responsible for any loss, costs, damages, expenses or inconvenience that may result from the exercise or non-exercise thereof, but where the Trustee is under the provisions of These Presents bound to act at the request or direction of the Sustainability Bond Holders, the Trustee shall nevertheless not be bound unless first indemnified to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing.

(c) To summon any meeting of the Sustainability Bond Holders in accordance with the provisions of Clause 20 hereof.

(d) In case of default by the Bank, the Trustee may but shall not be bound, unless directed either by an instrument in writing signed by the Sustainability Bond Holders representing not less than Seventy Five per centum (75%) of the par value of the Sustainability Bonds for the time being outstanding or in accordance with an Extraordinary Resolution passed by the Sustainability Bond Holders in accordance with Clause 20 of These Presents, to waive such terms and conditions of These Presents as they shall deem expedient and or any of the covenants and provisions contained in These Presents to be performed and or observed on the part of the Bank.

(e) The Trustee as between itself and the Sustainability Bond Holders shall have full power to determine all questions and doubts arising in relation to any of the provisions of These Presents and shall keep the Bank informed of every such determination, whether made upon a question actually raised or implied in the acts or proceedings of the Trustee.

(f) The Trustee may, instead of acting through its staff in the conduct of the trust matters set out in These Presents, employ and pay a professional person, with the prior written approval of the Bank, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee. Any expense incurred by such employment of a professional person shall not be charged as an expense to the Bank.

(g) The Trustee shall not be liable to the Bank or to any Sustainability Bond Holder by reason of having recognized or treated as a Sustainability Bond Holder any person subsequently found not to be entitled to be recognized or treated as such.

(h) Whenever in These Presents the Trustee is required in connection with any exercise of its powers, trusts, authorities or discretions to have regard to the interests of the Sustainability Bond Holders, it shall have regard to the interests of the Sustainability Bond Holders as a class, and in particular, but without prejudice to the generality of the foregoing, shall not be obliged to have regard to the consequences of such exercise for any individual Sustainability Bond Holder resulting from his or its being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory.

(i) The Trustee may, accept a Certificate certifying that all Sustainability Bonds have been redeemed or relating to any other matter primarily in the knowledge of the Bank as sufficient evidence thereof, and such Certificate shall be a complete protection to the Trustee who acts thereon.

15.2 The Trustee shall give notice to the Sustainability Bond Holders in writing:

(a) when the Trustee is notified by the Bank of any occurrence mentioned in Clause 10 or any condition of the Trust Deed which cannot be fulfilled;

(b) when the Bank fails to deliver the Certificate referred to in Clause 9 (e) of These Presents;

(c) as soon as practicable if the Bank fails to remedy any breach of terms and conditions of the Sustainability Bonds or the provisions/covenants of the Trust Deed.

15.3 The Trustee shall ensure that all documents required to be submitted by the Bank in terms of the covenants set out in the Trust Deed are forwarded in a timely manner.

15.4 The/-

15.4 The Trustee shall in performance of its duties maintain the confidentiality of confidential information received by it (provided that the Trustee may disclose such information to a branch, Head Office, subsidiary or agent of the Trustee in connection with the Trust Deed and to any government body, court, and/or to any party in accordance with the law) and shall not use such information for its own benefit.

15.5 The Trustee shall exercise reasonable diligence to ascertain whether the Bank has committed any breach of the terms and conditions of the Sustainability Bonds or provisions of the Trust Deed or whether an Event of Default has occurred or is continuing to occur, on perusal of the documents submitted in terms of the covenants set out in the Trust Deed.

15.6 The Trustee may rely upon any certificate or report given or statement made by the auditors or an officer of the Bank if it has reasonable grounds for believing that the auditor or officer was competent to give or make the certificate, report or statement.

15.7 The Trustee shall comply with the provisions in relation to inter alia, the registration of the trust with the relevant authority as stipulated under the Trusts Ordinance No. 9 of 1917 (as amended).

15.8 In the event of any change in the rating assigned by Lanka Rating Agency Limited for the Sustainability Bonds , the Bank shall notify the Trustee and the CSE and take steps to make an immediate market announcement.

15.9 In the event of an event of default has occurred and is continuing to occur the Trustee shall exercise such rights and powers vested in it by the Trust Deed and use reasonable degree of skill and diligence in exercising such powers.

16. EXEMPTIONS AND INDEMNIFICATIONS OF TRUSTEE FROM LIABILITY

16.1 The Trustee shall be indemnified by the Bank for any liability, claim, expense, damage or loss that it may incur in connection with this Trust Deed, provided the liability or loss was not a result of the sole negligence or willful misconduct of the Trustee.

Provided further that none of the provisions of These Presents shall in any case in which the Trustee has failed to show the degree of care and diligence required by it, having regard to the provisions of These Presents, conferring on the Trustee the powers, authorities or discretions, relieve or indemnify the Trustee against any liabilities which by virtue of any rule of law and or equity would otherwise attach to it in respect of any negligence, default, breach of duty or breach of trust of which it may be guilty in relation to its duties under These Presents.

16.2 Any terms and conditions of the Sustainability Bonds and provisions in the Trust Deed or a term of a contract with the Sustainability Bond Holders secured by the Trust Deed shall be void in so far as such term or provision would have the effect of exempting the Trustee from liability for:

(a) the failure to carry out its duties as the Trustee; or

(b) the failure to exercise the degree of care and diligence required of it as the Trustee.

(c) indemnifying the Trustee against that liability, unless the term or provision:

(i) enables the release of the Trustee from liability for something done or omitted to be done before the release is given; or

(ii) enables a meeting of Sustainability Bond Holders to approve the release of the Trustee from liability for something done or omitted to be done before the release is given.

Such release will be effective when approved by Sustainability Bond Holders by an Extraordinary Resolution.

The Trustee is also not liable for anything done or omitted to be done in accordance with a direction given to the Trustee by the Sustainability Bond Holders by way of an Extraordinary Resolution at any meeting duly called.

16.3 The/-

16.3 The Trustee shall:

(a) not be responsible in the capacity of a lender or borrower;

(b) have no obligations to discharge debts owed by the Bank to Sustainability Bond Holders;

(c) not be liable for any losses arising out of circumstances beyond its control;

18. COMPLIANCE OF MAJORITY OF TRUSTEES

If there be more than one (01) Trustee under These Presents the Trustees shall with majority consent exercise all or any of the Trustee's powers and discretions vested in the Trustees generally under any Clause of These Presents.

19. RESIGNATION OF TRUSTEE

19.1 In the event of the Trustee, in its sole and absolute discretion, desires to resign, the Trustee shall give not less than ninety (90) days notice to the Bank in writing to that effect, and the Bank shall thereupon appoint a new Trustee in accordance with Clause 17 of These Presents. The Trustee shall continue in its capacity as Trustee until such time a new Trustee is appointed.

19.2 In the event of such a resignation, the Trustee at its cost shall publish a notice to this effect in the national newspapers in all three languages (Sinhala, Tamil and English) of its choice circulating in Sri Lanka and such notice shall be deemed to be sufficient notice to the Sustainability Bond Holders notwithstanding anything to the contrary herein contained.

20. MEETINGS OF SUSTAINABILITY BOND HOLDERS

(a) The Trustee shall call /cause the holding of a meeting of Sustainability Bond Holders: (i) by providing written notice to the Bank and to all Sustainability Bond Holders regarding such meeting; or (ii) on receipt of a requisition in writing signed by the Sustainability Bond Holders representing not less than one fifth ($1/5^{th}$) of the value of the Sustainability Bonds for the time being outstanding; or (iii) if a meeting is requested by the Bank in writing.

(b) Not less than twenty-one (21) days notice shall be given of a meeting for the purpose of passing a Resolution, whether an Ordinary or Extraordinary Resolution.

(c) The quorum for the meeting (other than an adjourned meeting) for the purpose of passing an Ordinary Resolution shall be the Sustainability Bond Holders representing twenty five per centum (25%) of the par value of the Sustainability Bonds for the time being outstanding present in person or by proxy or by attorney or in the case of a corporate Sustainability Bond Holder, by a duly authorized representative, provided however, that the quorum for passing an Extraordinary Resolution should be the Holders of a majority in par value of the outstanding Sustainability Bonds present in person or by proxy or by attorney or in the case of a corporate Sustainability Bond Holder, by a duly authorized representative. In order to pass such resolution not less than three fourth ($3/4^{th}$) in value of the Sustainability Bond Holders present and voting on such resolution.

(d) If such a quorum cannot be obtained, such meeting shall be adjourned for not less than fourteen (14) days in which event notice of adjourned meeting shall be sent to every Sustainability Bond Holder and shall state in such notice that if a quorum as above defined shall not be present at the adjourned meeting the Sustainability Bond Holders then present shall form a quorum.

(e) A vote on a Resolution shall be taken in the first instance by a vote on a show of hands and each Sustainability Bond Holder who is present only in person shall be entitled to participate there at, unless a Poll be first demanded.

(f) On a poll, each Sustainability Bond Holder will be entitled to one (01) vote for each Sustainability Bond held by such person.

(g) A proxy need not be a holder of the Sustainability Bonds.

(h) The trustee may appoint a person to chair the meeting of Sustainability Bond Holders. If the Trustee does not exercise this power, the Sustainability Bond holders present at the meeting may appoint a person to chair the meeting. The Trustee shall appoint a person or body to act as a Secretary of such meeting and a copy of any Resolution certified by the Trustee and such secretary as having been passed at such Meeting shall be deemed conclusive evidence that such Resolution was, in fact, duly passed there at.

(i)In/-

(i) In the event the Bank fails to remedy any breach of terms and/or conditions of the Sustainability Bonds or the provisions/covenants of the Trust Deed, the Trustee may:

(i) Call a meeting of the Sustainability Bond Holders with notice to the Bank;

(ii) Inform the Sustainability Bond Holders of the failure at the meeting; and

(iii) Submit proposals for the protection of the Sustainability Bond Holders' interests, or call for proposals from the Sustainability Bond Holders at the meeting as the Trustee considers necessary or appropriate, and obtain suitable directions.

21. MODIFICATION OF THE TRUST DEED

21.1 The Trustee and the Bank may by mutual agreement and by way of a writing which is duly signed agree to modify and in fact modify These Presents subject to such modifications being of a routine nature; Provided however that any modification to These Presents which are detrimental to the Sustainability Bond Holders shall only be made by an Extraordinary Resolution of the Sustainability Bond Holders.

21.2 Upon a modification being duly made, the Bank shall inform the Sustainability Bond Holders within seven (7) days with regard to such modification. Upon a modification being duly made, the Bank or the Trustee shall notify the CSE and the Bank shall take steps to make an immediate market announcement.

22. NOTICES

Any notice or demand to the Bank, Sustainability Bond Holder(s) or the Trustee required to be given, made or served for any purpose hereof shall be given, made or served by sending the same by prepaid registered post in the case of the Bank or Trustee and by prepaid ordinary mail in the case of Sustainability Bond Holder(s), or by facsimile transmission or by delivering it by hand to the Bank, Sustainability Bond Holders or the Trustee as the case maybe, in the case of the Bank or the Trustee at the address shown below in this Trust Deed, and in the case of Sustainability Bond Holder(s) to the address which appear in the CDS, and any notice sent by post as provided in this Clause 22 shall be deemed to have been given, made or served seventy two (72) hours after dispatch and any notice sent by facsimile transmission as provided in this Clause 22 shall be deemed to have been given, made or served at the time of dispatch, and in proving the giving, making or service of the same it shall be sufficient to prove, in the case of a letter, that such letter was properly stamped, addressed and placed in the post and, in the case of a facsimile transmission that such facsimile transmission was duly dispatched and received in the readable and understandable condition.

The Trustee shall at any time be entitled to give notice of any meeting or make any communication to the Sustainability Bond Holders by notice published in the national newspapers in all three (03) languages (Sinhala, Tamil and English) of its choice circulating in Sri Lanka and such notice will notwithstanding anything to the contrary herein contained be deemed to be sufficient notice to the Sustainability Bond Holders including the provisions of the above clause.
